Harbour Plaza Hotels & Resorts Inducted into TTG Travel Hall of Fame for 4th Consecutive Year

Harbour Plaza Hotels & Resorts is proud to announce its induction into the prestigious **TTG Travel Hall of Fame** for the fourth consecutive year. This distinguished honour recognizes the group's sustained excellence, innovation, and leadership in the hospitality industry, and reflects the continued trust and support of its valued trade partners, customers, and dedicated team members.

Established in 2002, the TTG Travel Hall of Fame is the highest recognition bestowed upon travel organizations in the Asia-Pacific region that have demonstrated sustained excellence and industry leadership. Open only to companies that have consistently received top honours through the annual TTG Travel Awards, the Hall of Fame is one of the industry's most prestigious accolades. The 35th TTG Travel Awards Gala Dinner and Ceremony was held on 24 September 2026 in Bangkok, Thailand.

Advancing Hospitality Through Innovation

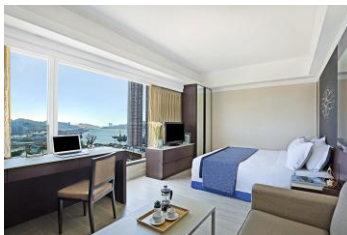

A key milestone for Harbour Plaza Hotels & Resorts in 2026 has been the successful rollout of self-service check-in and check-out kiosks across all hotels in Hong Kong. The implementation enhances operational efficiency while providing guests with a more seamless and convenient arrival and departure experience.

Looking ahead, the group continues to embrace emerging technologies to improve discoverability and accessibility for travellers worldwide. Recognizing the growing influence of artificial intelligence in travel planning, Harbour Plaza Hotels & Resorts is actively optimizing all its hotels for AI-driven search visibility and direct booking capabilities, enabling travellers to search, discover, and reserve accommodation more efficiently.

“Receiving the TTG Travel Hall of Fame Award for the fourth consecutive year is undoubtedly our most significant achievement in 2026,” said Ms. P.C. Koh, Director of Harbour Plaza Hotels & Resorts. “This recognition reflects the continued trust and support of our trade partners and customers, as well as the dedication of our teams. We remain committed to enhancing the guest experience and driving operational excellence through innovation and technology.”
